## POMONA

Herald, Jan. 2.

Three cases of scarlet fever are under quarantine in the Richard family in the Holcroft house.

Several cases of glanders are reported among horses at Lewisville, numerous cases being now under quarantine. Staff-Sergeant Sweetapple, a couple of weeks ago shot an affected animal belonging to John Brunner.

The quarantine is still up at the home of Rev. J. A. Muir, though Miss Jeckell, the afflicted patient, is recovering from her attack of scarlet fever and hopes to be out soon. The cases at the home of Mr. Richards are among children and are said to be a worse form than that of Miss Jeckell.

W. N. Trimble returned yesterday from Pigeon Lake with a sleigh load of white fish, in all about 1100 pounds of fish. He sent them down the line.

We are called upon this week to chronicle the death of Henry H. Binkley, the aged father of Capt. D. F. Binkley, who departed this life last Wednesday and was laid to rest in Forest Home cemetery yesterday afternoon.

A farmer driving one horse hitched beside an ox drawing a load of wood into the village was a sight a few days ago that reminded one forcibly of the extent of the damage done the country and the loss sustained by the farmers as a result of the horse disease in this part of the country. The unfortunate man referred to came here well supplied with teams with which to carry on the work of his farm. Now the one lone animal is all that remains. It appears high time that the government took some steps towards checking the disease. Last summer we had the promise of a Dominion veterinary to come here to look into the disease but though several months have passed nothing has yet been heard of the inspection. True the losses the past year have been much less than those of the year before but even so there have been losses hard for the incoming settlers to bear.

## MORINVILLE

This rising bug is booming chiefly on account of the operation of the grist mill. Farmers are hauling grain from Stony Plain, Glory Hills, Fort Saskatchewan and Edmonton. Fifteen or twenty teams waiting around the mill is a common occurrence. Besides this there is an immense pile of wheat stacked and piled in the open. There are about 30 houses in the townsite, including three general stores and two hotels, one not yet licensed. With the advent of closer railroad communication Morinville will become a place of considerable importance.

**CALGARY'S NEW METHODIST MINISTER.** Herald: A telegram was received yesterday from Rev. Geo. W. Kerby, of Toronto, intimating his acceptance of the call to the pastorate of the Calgary Methodist church, negotiations about which have been going on for some time.

Mr. Kerby is about 40 years of age, an excellent speaker and a fine tenor singer. He has held pastoral charges in Montreal, Brantford, Hamilton and St. Catharines, and for the last two years has been engaged in evangelistic work associated with Rev. G. R. Turk, formerly of Grace church, Winnipeg. He has received several calls from eastern churches, but prefers to come west.

Rev. Fred Langford, who has filled the pastorate for the last four years with signal success, is withdrawing from the ministry, but expects to reside in Calgary.

## THE C. &amp; E. CROSSING.

Plumdealer, The C. & E. R. surveyors are still engaged on the proposed crossing of the Saskatchewan in this vicinity. The survey leaves the present bolt line near the way going in a northerly direction, turning north as it reaches the west slope of the Millcreek bluffs. It follows this slope at a much higher level than the C. N. R. until it reaches a point about opposite the old gravel pit, beside the Calgary road leading to Edmonton; there it turns west, runs across the hog-back and follows the bank of the Saskatchewan a short distance below Archibald Stewart's residence. The grade is very easy. It passes through the premises of the Strathcona Brewing Co. and thence through the southern part of Walter's lumber yard and behind Pollard's brick yard. It runs west along the bench past the Garneau and Simpson farms effecting a crossing of the river at Miner's Flat.

## BEAVER LAKE EAST

The bazaar and social of the Ladies' Aid of the Presbyterian church here came off on New Year's Eve and was in every respect a success. There was a large attendance. Amongst those from a distance were Messrs. Dinwiddie and Crider, of the Vermilion, Capt. Cameron, of Vegreville, Sandy Logan and Miss Logan, of Logan. Capt. Henry Dely performed the duties of chairman in his usual inimitable manner, and also took part in the opening address, the first piece on the programme. Mr. F. W. Fane acted as auctioneer in such style that had any professional been present, they would have been green with envy. Mr. Fane also sang a couple of comic songs. The first would be hard to beat, but the second, an extremely clever, original production, with local and other hits, brought down the house. All the others who took part in the entertainment did well indeed. The refreshments furnished by the ladies were as usual, of the best, and far in excess of the requirements. The total receipts were but a few cents short of \$50. The autograph bed-spread was very artistic in appearance and brought ten dollars. Mr. Angus MacCallum was the lucky man. As the ladies had already received over \$10 with the autographs they are no doubt well satisfied with the result of their labor of love. A beautiful cushion made by Miss Rosa Dely sold for \$3.75, and was well worth it. Some fancy ties, etc., sold at from two to six times their value. The smiling faces of the ladies of the society showed that they appreciated the generosity of the purchasers, some of whom went very deep into their pockets. The programme was as follows:

Hymn by the audience; opening address by the chairman and Joseph McCullum, Jr.; recitation, Jessie Steele; quartette, the Misses Wilson and Watson; and Messrs. Thos. A. Dely and J. McCullum, Jr.; song (comic) Mr. Fane; declaimer solo, Mrs. Stewart; recitation, Miss Jennie Wilson; song, Mr. Moody; monologue, Miss Dely; violin solo, W. Clark; sale of goods, Mr. Fane; auctioneer, refreshments by the ladies; reading, Donald McCullum, Jr.; declaimer solo, Miss Watson; topical song (original), Mr. Fane; violin solo, Mr. Clark.

## WE NEVER STAND STILL.

We are not content to stand idle, satisfied with the position we hold, but we are continually pushing forward. We make constant, steady, vigorous efforts for hourly advancement. Nowhere do we allow relaxation in the work of making this house the best possible illustration of correct twentieth century merchandising. Whenever and wherever we see a chance of improvement we grasp it, as new methods of advancement are developed we adopt them. It is indisputably true that McDougall & Secord's store is recognized as Edmonton's best and surest store—a place where the new things can be seen first and where you can depend upon it that the quality is there, no matter what the price.

A continuous growth from a rather modest store to the largest store in Edmonton devoted to Wholesale and Retail trade is the brief history of McDougall & Secord's store. It is the store attraction of the town, and surely a cause for civic pride. It is big because it needs to be big. It needs to be big because it was and is the best. Fair prices, large variety in all lines of goods and general good service are bound to win. They have won.

In conclusion we cordially wish our patrons and friends the compliments of the season. We join heartily in the spirit that gives rise to good and heartfelt wishes for each other's health and happiness, and yet it is not out of place to cordially invite you to inspect our beautiful stocks in their different departments.

To the housewives of the town and vicinity we wish a Happy New Year as well as to the sharers of their sorrows and joys. We thank our patrons for past favors and solicit a continuance of same.

### Manitoba Markets

Commercial, Jan. 3.  
Manitoba wheat has been dull but firm this week, and prices have only declined 1-2c to 3-4c on the week, and again, 1-2c to 2c decline in United States markets. There is a steady demand for wheat, both for nearby and future delivery, and it is only restricted by the unwillingness of holders to let go or more than they are doing. At the close of business yesterday prices were as follows: 1 hard, 70c; 1 northern, 68c; 2 northern, 67c; 3 northern, 65c. For February delivery, 1 hard, 70 1-2c; 1 northern, 68 1-2c; 2 northern, 67 1-2c; 3 northern, 65 1-2c. And for May delivery, 1 hard, 74 1-2c; 1 northern, 72 1-2c; 2 northern, 70 1-2c; 3 northern, 68 1-2c. In store, Fort William, Port Arthur and Duluth.

Oats—The price of oats keeps high notwithstanding the current belief that stocks in farmers' hands are very large. Our shortage is the principal reason given for continued high prices, and no doubt this has a great deal to do with it. As transportation was easy to obtain distribution would be free and prices lower. While there is a good demand for oats there is also a large supply, and an outside market will have to be found for some of these. This will probably be forthcoming as already some inquiries have been received from foreign ports and at least one large order placed. Truck oats are 1-2c lower to-day than a week ago. No. 1 white oats are 28 1-2c; per bushel at Port W.

### Fresh Groceries.

Are just the same as that of the low grade. Goods cost at a store where a larger profit is the main consideration.

The trade is brisk here and the goods are in and out before there is any chance for deterioration.

### A Cereal Story

Of more than ordinary interest to those who must provide something for the breakfast table is told in the list below. Only two chapters, but they concern the health and the pocket.

Quality first—and that is the best to be found anywhere. Our cereals are always fresh because the goods have no time to become stale and lose flavor. Prices last thing to be considered, but important, too. You will see that ours are low.

ROLLED OATS. STANDARD OATMEAL. MALT BREAKFAST FOOD. CREAM OF WHEAT. PETTIBONE'S BREAKFAST FOOD. WHEAT FLAKES. GRAPE NUTS.

## ROSS BROS.

Wholesale & Retail General Merchants.

Jan. On truck here this grade is worth 26 1-2c to 27 1-2c per bushel, and about 24 1-2c is the price for feed wheat.

At country points farmers are getting 20c per bushel at central points. On the street here 24 1-2c is being offered to farmers.

Barley—The market has declined as local brewers have about all the barley they want at present. The best price they offer to-day is 28c for No. 2 extra in carlots on truck. Feed barley is worth 35 to 36c.
